

Finished Floors Made to Walk On

The Sherwin-Williams Modern Method Floor Finishes are made first of all to walk on—to stand hard foot wear and look well for the longest time. They are made for finishing any floor, old or new—in any style desired. You can select any one of them and by following our instructions obtain the best looking and best wearing finish it's possible to get.

Painted and varnished floors are rapidly taking the place of dusty, germ collecting carpets. They look better, are easier to keep clean, are more healthful and more economical. For these reasons finished floors are in general use in all classes of homes.

The Sherwin-Williams Modern Method Floor Finishes include:

For Painted Finish—Inside Floors—The S-W. INSIDE FLOOR PAINT, Porch Floors—The S-W. PORCH FLOOR PAINT.

For Varnished Finish—Natural—MAR-NOT, a durable floor varnish. Stained—FLOORGLAZ, stain and varnish combined.

For Waxed Finish—The S-W. FLOOR WAX.

For Unsightly Cracks in Old Floors—The S-W. CRACK AND SEAM FILLER.

Let us tell you more about them.

YACHT RACE.

WILDER WILL SAIL "HAWAII" IN RACE

TOM V. KING MAKES

SPEECH BEFORE MEETING

Money Badly Needed for Fitting Out
Yacht—\$2500 Would Do the
Trick.

At the Promotion Committee's meeting yesterday afternoon, R. H. Trent moved and J. F. Bush seconded that the Promotion Committee heartily endorse the plan of the Hawaii Yacht Club to pull off a trans-Pacific yacht race in the summer of 1910, and commends the effort of the yacht club in this matter to the kindly consideration and assistance of the community.

T. V. King was present at yesterday's meeting to give his views as to entering the yacht Hawaii for the race. Mr. King said: "The principal thing is the money end of it. We have the assurance from the South Coast Yacht Club that four yachts will be entered from San Pedro. We have written letters to the Coast to get San Francisco and Seattle, and, if possible, San Diego entries."

"Last year San Diego entered a yacht named the Lady Maud, and it is expected that they will enter an even better yacht this year. If we get these others in, the better it will be for the race. Each one of these clubs will spend money here, as we are not under any obligation to pay their expenses."

"It required \$2400 last year to fit out the Hawaii. Commodore Wilder thinks it will take at least \$2500 this year, as there will be some entertaining to do when the Pacific Coast yachts reach Hawaii."

Chairman McLean asked how much money had been raised to date, to which Mr. King replied that no money had been subscribed, and that the yacht club still owed \$1000 from last year's fitting out of the Hawaii. "This is interest bearing and a burden on the club, although the banks are not pushing us for the money."

"Last year we cleared up \$600 by our water carnival, and we had planned to give a series of entertainments this year, but owing to the counter attractions I am afraid it will fall through. People do not like to go around to the various offices and solicit for money. Mr. Cecil Brown has informed us that he will give \$25 towards a fund for fitting out the Hawaii, and R. H. Trent stated yesterday that he would be a willing subscriber."

Mr. King read a letter from Francis Hay of Los Angeles, in which it stated that he had built a 50-foot yawl named the Winston, which he would race from the Coast to Hawaii. He also stated that he had put up a very handsome cup for the boat making the best time to Honolulu. This race will be open for yachts up to 70 feet, so that the

Hawaii will have a chance of competing.

In conclusion, Mr. King said:

"South Coast yachtsmen are taking much interest in this trans-Pacific race. It is our intention to have the entire crew of the Hawaii an amateur one. Commodore Wilder will go as captain. A former mate of the schooner Marston is now working on the Hawaii. If we can keep that fellow on board it will be a kind of safety valve on our navigation. We feel that Commodore Wilder, as sailing master of the yacht, will fit the place well."

"As this is more or less a promotion enterprise, I feel that the Promotion Committee should assist us to raise this fund. The Hawaii Yacht Club is composed of young men with limited means. The majority of the boys who will go as the crew will sacrifice much of their pay and will have to defray most of their own expenses."

It was then that R. H. Trent moved that the Promotion Committee lend their moral support to this worthy cause.

The continued showery weather is playing havoc with the various plans of sports promoters, and it is never known right up to the last minute what is going to happen.

INTERNATIONAL.

GREAT INTEREST IS SHOWN IN SERIES

SANTA CLARAS SAID

TO BE VERY STRONG

The Wasedas Will Stop Over for Six Weeks—Best of Honolulu and Oahu Men to Play.

That the baseball fans of this city are going to have a great time around about July next goes without saying. The international series will start up and some of the best ball seen in Honolulu should result. The Santa Clara boys are said to be playing great baseball nowadays, and if they are as much better than their last nine that visited Hawaii, as they are rumored to be, the local men will have to play a champion game in order to win.

Twelve men will come down with Manager McHenry, and as the series will last about six weeks or so, the three extra players will come in very handy. The Santa Clara boys are, of course, amateurs, and as such can not legally receive any part of the gate receipts.

A lot of people imagine that it is the Kelo University team that is going to stop over here and play a series. The Kelos are, as a matter of fact, coming this way, but only en route to Michigan, where they are scheduled to play some games. The Wasedas, on the other hand, will stop over here all July and a part of August, and then return to Japan. The Japanese team will not be under very heavy expense while in Honolulu, as the players will all be the guests of friends. The Santa Clara boys will, however, be put up at one of the hotels.

The local teams will be selected from the best players in the ranks of the Honolulu and Oahu leagues. The first-named combination at present appears to consist of the Diamond Head and St. Louis teams. From those clubs a strong team can be selected, and one that should hold any other combination safe.

The Oahu league can also put a combined nine in the field that will look good to the fans. There are some fine players in the Oahu clubs, and a combination team should do well in the international series. The J. A. Cs. won the championship of the Oahu league last year, and although they have twice been defeated by the Diamond Heads during the past few weeks, they are improving every day.

The four teams that are to play in the international series should be fairly evenly matched, and some fine ball games should be seen. All the fans are already talking of the series, although the start is so far ahead.

W. W. Harris is working on the proposition, and everything is going on all right. It was a happy idea to invite the Santa Claras, and the visit of the Wasedas adds to the beauty of the scheme.

Y. M. C. A. FIELD EVENTS

BOYS' FIELD TOMORROW

Shot-Put, Hammer-Throw, High and Broad Jumps, and Pole Vault Will Be Contested.

Tomorrow afternoon at the Boys' Field, the Y. M. C. A. field meet will be pulled off, and some interesting events should be seen. The first event will take place at two o'clock, and it will be the hammer throw, for which four men have entered, viz.: Jay Kuhns, George Ewaliko, John Macaulay and Charles McLeod. The first-named is a husky young giant who may surprise everybody with a throw that will go near the present record.

McLeod is an oldtimer at the game, and has the skill as well as the experience. He is expected to put up a great exhibition both in the hammer throw and the shot-put.

For the high jump, six entries have been received, and they are Al Delanux, A. E. Larimer, Harold Nott, Richard Benny, James Nott, and E. Andrews. This contest should be a close one, and it is hard to say in advance who will win the event. In the pole vault there are three men, and they are Harold Nott, A. Delanux and E. Andrews. The last-named is expected to go close to the record established by Hitecock some weeks ago. Still, 10 feet 11 1/2 inches is a big height to tackle, and it may turn out that the record will stand.

For the broad jump four entries are in, and the men are J. McCandless, R. Benny, L. Halbulen and J. Nott. McCandless has done fine work in former jumping contests, and he should about win the event tomorrow. He was in no form at the late All-School track meet at Alexander Field, and his many friends consider him the best all-around athlete in these islands.

Given fine weather tomorrow afternoon, there should be some exciting competitions at the Boys' Field.

MILITARY LEAGUE GAMES

CONTINUE TOMORROW

Fort Shafter's Will Play in Series—Guards Will Wear New Uniforms—Two Good Games Assured.

Tomorrow afternoon at the league grounds, the second game of the military series will be played, and in it the N. G. H. will meet the Fort Shafter, and the Marines will go up against the Cavalry. Both games promise to be good ones, and it is pleasant to find that the Shafter's are getting into the series and with good chances of success.

A new pitcher has been unearthed at Shafter, and he is said to be the real thing in twirlers. It is to be hoped so, as everybody wants to see the Infantry stick to the competition.

Harry's No. 2 Beatus will appear in their new uniforms tomorrow, and the suits are the real thing. The overcoats will make the rest of the teams green with envy, and Sergeant Harry will be as proud as possible of his outfit.

The Marines are feeling good at present, and they have one win to their credit already. In the Fighting Fifth, the half-wets will be up against the real thing in twirlers, and if they manage to defeat the Lillehua boys, the competition will begin to look like going to Camp Perry. However, there are many fans who tip the Cavalry to win out, and, judging from last year's performance, they should go very close to doing so. The first game tomorrow will start at 1:30 o'clock, and will be between the Guards and Shafter. The second game will be between the Marines and Cavalry, and will begin at 3:30.

The lineup of the Guards for tomorrow is as follows: Moses, c.; Dole, p.; Marcellino, 1b.; Sumner, 2b.; Lemon, ss.; Flores, 3b.; Rice, lf.; R. Chillingworth, rf.; Kino, c. Three men—Williams, May and O'Sullivan—will be on the bench.
